

JENISON HIGH SCHOOL THEATRE
ACADEMIC ELIGIBILITY
DUE WITH YOUR CAST/CREW APPLICATION and again,
4 weeks into the rehearsal process

Jenison High School Theatre is dedicated to excellence on stage. It also places a high priority on academics and expects that all students involved in a production, regardless of their role, should maintain good grades during their participation. The JHS Theatre Contract, which all students are required to sign for participation in a production, reads as follows:

13. remain academically eligible throughout the run of the play. If the actor or crew member becomes academically ineligible (**D+ average or below in three or more classes**), that student will have two weeks to improve the grade or he/she will be expelled from the show. An eligibility check will be twice during the rehearsal process. **SCHOOL IS A PRIORITY!!!**

Please help us encourage our students to maintain good academic standards by filling in the appropriate information below. Students have two weeks to meet the basic requirements or be removed from the show.
